Dear Parent/Guardian

### APPLICATION FOR ENROLMENT AT EASTERN HILLS SENIOR HIGH SCHOOL YEAR 7 2021

Thank you for considering our school for your child's secondary education. You may be aware that enrolments at Eastern Hills Senior High School have increased significantly in recent times. Our students continue to achieve at the highest levels in both lower school programs and in the broad range of subjects we are able to offer to our senior students. In 2019 our school had a 97% attainment rate, which places us in the top group of schools in the State.

In 2021 we will be welcoming a new Year 7 group into our school. We request that parents of prospective students complete the enclosed application for enrolment form, with associated documentation (see pg 3 on the form) so development of the 2021 timetable can proceed. Completion of this form is an initial expression of interest and in Term 3 of this year a formal enrolment package will be forwarded to you.

Eastern Hills is a Local Area Intake school, and as such students who reside within the local area are guaranteed a place at the school. Students who reside outside the boundary may still apply and will be notified by 14 August 2020 of the outcome of their application. For information on the local areas please refer to:

Due to COVID19 restrictions this will be strictly capped at 100 people and will require an RSVP. A second opportunity on 5 August 2020, in the evening, will be held for those parents who are unable to attend during the day obviously the evening event will not include a tour COVID restrictions may also apply.

A complete transition program has been developed to ensure students who join our school community in 2021 have a successful transition.

If you are intending to enrol your child at EHSBS please return the completed application for enrolment form and associated documentation to your child's school **by FRIDAY 24 July 2020**. These forms will then be collected by Ms Edwards.
